

## **Rule of Law**

Different countries have different rules and laws about school and education. In the UK, all children must be provided with an education from age 5 to 18.

# Protected Characteristics

In Afghanistan, girls over 11 years of age are not allowed to attend school. Being a boy or a girl should never stop us from doing something or cause us to be treated unfairly.

# UN Rights of a Child

We all have the right to an education. Primary education should be free. Secondary and higher education should be available to every child. We should be encouraged to go to school to the highest level possible.
