

# Mutual Respect and Tolerance

Having access to travel can help us learn more about people living in our world.

Life is not the same for everyone and we should respect that.

# Protected Characteristics

Where and how people choose to live may affect the modes of transport they use.

We should never be treated unfairly because of how we choose to live.

# UN Rights of a Child

If a child lives in a different country than their parents, governments must let the child and parents travel so that they can stay in contact and be together.
