GOODY BAGS FOR THE FIRST 100 PEOPLE AT THIS EVENT

International Women's Day is a global day celebrating the social, economic, cultural, and political achievements of women. This year, Motherwell Cheshire invites you to join us in celebrating this significant event at our two #womenofwords events.

On March 9, 2024, the first event will be held in Crewe from 10am to 3pm at Cheshire College Crewe Campus. The following week, on March 16, 2024, the second event will take place in Winsford from 10am to 3pm at Brio Lifestyle Centre. These events provide a platform for women to express themselves, share their experiences, and inspire others.

This is a great opportunity to celebrate the achievements of women and the progress made towards gender equality. Let's come together to honour and empower women in our community.

Why Attend the Women of Words Events?

These events are not just celebrations but also a chance for everyone to learn and grow. You'll hear inspiring stories from women who have overcome obstacles and achieved great things. You'll also get the chance to network with like-minded individuals and make new friends. Plus, there will be a variety of activities suitable for all ages, making it a fun day out for the whole family.

So, mark your calendars for these two exciting events. Be part of a day dedicated to honouring and empowering women. Let's celebrate International Women's Day together and show our support for gender equality. These are events you definitely won't want to miss!
